Race Information

Registration & Bike Racking

Registration and bike racking must be done on Saturday 10th December 2011 from 2pm onwards at the Hassanal Bolkiah Stadium Berakas. You will receive your goodie bag and race number on this day.

Make your way to the bike racking in the transition area. Find your number row, place your bike, helmet and equipment on your number row only. Please remember your bike position as we do not provide each competitor with a numbered racking position. Racking space may be limited, so please place your bicycle neatly. The transition area is a very high security area, access will only be given to competitors who have registered. No family or friends will be allowed in the transition area.

Important note: There is no registration on the day of the race. All property is left at owner's risk. The Brunei Darussalam AIDS Council will provide security however, we shall not be held responsible for any loss or damage to your property.

Race day

Please plan your journey to the stadium early so that you can get a good parking spot, consider last minute preparation for your bicycle and allow enough time to warm up. We strongly advice that you arrive at the stadium 1hr 30mins before the race starts. The race will begin at 7:00am.

This race is has no categories. It is only divided into individual or team racers. Whether you are male or female, whatever your age is- everybody starts at the same time. This is a charity event and the main purpose is to raise awareness about HIV/AIDS and to stress the spirit of making healthy and responsible choices. We do not mind your age, gender, status or background.
